Accommodations (Heat vs. No Heat)

Please note a **SIGNIFICANT CHANGE** from past Nature weekends. There are no longer heated dormitory-style cabins at Camp Arowhon. The limited heated space is found in rooms within various buildings. Most heated rooms have a double bed and are not near the waterfront. If you are planning to attend with a group of friends or with your family, an unheated cabin (with 12 beds in a dormitory style—mixed bunk beds and single beds) is your best option. Bring warm bedding and plan to warm up (if needed) in the incredible new (2014) Main Lodge at any time of the day.

Payment Calculations

Fill in the number of people, subtotal (use the price according to whether you are registering before or after the May 1 early bird date) and order total on the payment chart.
