

# Clothing and Equipment Packing List 2021

## Masks Required

Every camper needs a collection of masks. Masks must completely cover the nose and mouth and under the chin, with a snug fit with no gaps around the sides. No masks with exhalation valves or vents. These allow virus particles to escape.

Campers need EITHER 3 disposable masks per day at camp (21 per week)... OR at least 15 re-usable cloth masks (so they can send some to camp laundry and lose some)..... A combo of cloth and disposable is fine.

**Disposable masks:** Must be medical grade masks level 2 for kids (-13) and ASTM level 3 for older kids.

**Cloth masks:** Must have 3 layers, with an inner polyester layer. If you hold the mask up and you can see light through it, it's too thin. Masks will get lost! Put names on cloth masks. They will be laundered weekly. Send a mesh bag for putting masks in to get laundered.

## Lanyards

Please send 3 lanyards, for campers to carry masks around camp when not wearing them.

### General Clothing

- 3 pairs pajamas
- 12 pairs underwear
- 4 pairs jeans or sweat pants
- 2 plain white t-shirts (*for tie dying*)
- \*1 raincoat w/hood or rain hat (*NOT K-WAY or windbreaker*)
