

CAMP AROWHON FAMILY CAMP

VISITOR POLICIES

Hello and welcome to Family Camp! The following is information to aid you over the next few days.

SWIMMING AND DOCKS

We are very concerned about water safety and are therefore strict about where our guests swim. Swim only in enclosed swim docks, with a buddy and never at night. When using the inflatable toys please wear a lifejacket. We ask that you do not go swimming after consuming any alcohol and all docks are off limits after drinking and at night.

BOATING

You may use canoes, kayaks and SUP boards during daylight hours. Lifejackets must be worn at all times while boating. We ask that you stay on this lake only. No boating after consuming any alcohol please!

Sailboats and Windsurf boards may only be used under the supervision of an Arowhon staff member, and in the presence of a safety motor boat.

DRINKING WATER

All water in camp is safe to drink. We have a state-of-the-art water filtration and treatment system!

SHOWERS

Arowhon has 4 multi-stall shower houses available for guest use, which are cleaned daily. Please follow posted signage regarding which shower houses are available for your use during your stay.

BELLS

A bell will sound for the beginning of each meal, as well as at the beginning of activity periods. A continuous bell signals a camp emergency. If you hear a continuous bell, please come quickly to the front of the Main Lodge.

SMOKING

Smoking is permitted in the "butt hut" / N.O.B ONLY. Our buildings are old and dry - no open flame is allowed in any building.

HEATERS AND ELECTRICITY

Please turn off all heat during the day and place no articles on or close to heaters. Fires have started in the past due to articles on these heaters. Hair straighteners and hair dryers will blow a fuse if used in your cabins. They will only work in common areas like the Main Lodge.

WiFi

Wifi is available for guest use in the Staff Lounge. Password and network information is posted in the Staff Lounge. Keep in mind that our internet is satellite based, and has limited bandwidth. For video meetings or streaming, please use your cellular data.

NIGHT NOISE

Since we are in a Provincial Park, there are noise restrictions due to people camping on and around Tepee Lake. It is provincial law to have no excessive noise after 11:00pm. For this reason, our site is quiet at eleven.

FOOD

Arowhon shares its Algonquin home with numerous other creatures, big and small. To keep you safe and comfortable, please don't store food in your cabins. Food may be stored in a locked car, or in our kitchen. If you'd like to store food in the kitchen, please ask an Arowhon staff member for assistance.

NUTS AND SEEDS

Due to allergies we are a nut and seed free site. Please do not consume or possess any peanuts, tree nuts, seeds or "may contain" products while at Arowhon.

ALCOHOL

After consuming alcohol, the docks, water and watercraft become off limits (to the consumer) for the remainder of that day. Please place all empty bottles/cans in the recycling bins. Glass bottles are **ONLY** permitted inside the Main Lodge. Cans and plastic cups are preferred.

DOGS

We do not allow visitors to bring dogs. Please don't feed the camp dogs (even if they convince you that they haven't been fed in weeks).

GRAFFITI

Although you will see graffiti in some of our cabins, we are trying to clean up the graffiti in camp. Please do not add to our problem by writing on walls, bunks or mattresses. If we discover graffiti in your cabin, we will charge you for its removal.

HIKES

If you would like to take a walk or hike on your own, we ask that you stay on dirt roads instead of using paths into the woods. If you would like to explore deeper into the bush around camp, please ask an Arowhon staff member to show you a route to suit your needs and take a trail map with you. Our trail system fools people and they end up getting lost!

CARS

Please park your car in the parking lot, as directed by posted signage. Arowhon has limited parking within camp, and our maintenance team requires access to all buildings and roadways in order to ensure you a pleasant and safe stay.

AROWHON STAFF

Arowhon staff members are incredible! They will help you with anything they can! If you need something, please don't hesitate to ask us for help. There will always be an Arowhon staff member at the Main Lodge, from 7am until 1am, if you need anything.
